Savvy celebs like Ellen know you can look great and save big bucks! Makeup artist Napoleon Perdis shows us his top products for tight times

BEAUTY ON A BUDGET

FACE Get clean & bright

CoverGirl Simply Ageless Foundation \$16; walgreens.com. This double-duty deal — it's a base and anti-aging moisturizer in one — keeps Ellen looking fresh and youthful.

Revlon Colorstay Sheer Lipliner \$8; Duane Reade stores. Apply before gloss — it prevents color from fading. Your lips will love it.

NP Set Lip Gloss Compact in Nisi \$12; Target stores. "A universally flattering, sheer pink gloss will highlight a newly whitened grin!" says Napoleon.

Luster Weekend Tooth Whitening Kit \$20; Walgreens stores. Eliminates a week's worth of coffee and wine stains in just three days.

"A cover girl is not afraid to make a statement. Ellen is a perfect fit!" says Napoleon about CoverGirl's new spokesperson.

ELLEN DEGENERES: COURTESY WARDrobe; ALL STILLS EXCEPT FOR NEUTROGENA AND ORGANIC WEAR: JEFF MCELROY; JENNY MCCARTHY: JANE WILSON

Neutrogena Nourishing Eye Quad \$10; drugstores. Mix and match these shades to create looks for day or night, whenever you need them.

Physicians Formula Organic Wear 100% Natural Origin Mascara \$10; drugstores. Even the brush is fully recyclable.

TIP Swipe your mascara over faux lashes to help them blend with your real ones.

Andrea ModLash Lashes \$6; walgreens.com. "They're simple to apply and natural-looking," says Napoleon. "No one will know you're faking it."

EYES Go instant glam: big lashes and smoky lids

Jergens Natural Glow Tint Moisturizer \$8; drugstores. "It's super-moisturizing and gradually builds up a celeb-worthy tan," says Napoleon.

Boots No. 7 Quick Thinking 4-in-1 Wipes \$7; Target stores. "Washing your face nightly is a must," reminds Napoleon. "These clean and moisturize in one step."

Suave Skin Therapy Advanced Therapy Moisturizer \$3; drugstores. Spokesperson Jenny McCarthy loves it for its high performance and low price tag!

TIP Buy a big, inexpensive bottle of moisturizer. Apply generously every day to fight winter dryness.

"You don't have to spend a lot to get high-performing products," says Jenny McCarthy.

SKIN A beautiful, healthy glow: the most important element of all
